Because of this, we have been voted Best Mac & Cheese by The Hippo for two years! Our menu boasts an impressive 21 Signature Entrees and a Create Your Own menu, making the possibilities endless! Mr. Mac's offers every entrée in small, medium, large as well as Tray sizes – fitting whatever size crowd you have to feed, including catering!

About the Program

At Mr. Mac's we are firm believers that a healthy business environment requires a healthy community. Mr. Mac's believes in giving back to our community and is constantly looking for ways in which we can be a good neighbor. And, it makes us feel good too!

In our efforts to contribute, we have developed a Mr. Mac's Local Youth Program! This program provides youth clubs the opportunity to fundraise for their club or organization by handing out Mr. Mac's coupons at any of their club or town events. For each coupon that is redeemed, Mr. Mac's will donate \$2 to the club or organization. Below, please find an example of the coupon that Mr. Mac's will provide your club or organization.
